(click here to download registration form)

Workshop Description

Participants will build knowledge on the fundamental goals and strategies of the F2F model; learn how to implement the "That's What's Different About Me" and *Demystifying Autism: The Friend 2 Friend Simulation Game* Package Programs in schools, preschools, daycares and other community settings.

- What are 5-strategies for social inclusion?
- What are the key features of the F2F Model?
- What is demystification?
- Why is demystification important?
- What is the difference between demystification and identification?
- What are the principles of implementing demystification programs?
- How to implement the F2F demystification programs.
- Keeping Peer Relationship Going—the steps after demystification.
