

Friend 2 Friend Play Centre Services Overview

All Friend 2 Friend Play Centre Programs combine the award-winning [Integrated Play Groups®](#), [Friend 2 Friend Autism Demystification®](#) and [SCERTS® models](#). The Play Centre programs are inclusive peer play and friendship intervention and educational programs. Our programs focus on the development of the social, communication, emotional regulation and peer play competencies of all the children participating in these specialized programs.

What follows is a brief overview the services provided as part of the Play Centre programs.
